

## ACMI EED Fitout

arete Australia was engaged by the Australian Centre for the Moving Image in 2019 to assist with the \$40 Million redevelopment of their museum located in Federation Square.

The Exhibitions Experience Design fitout project included the design and subsequent construction of three layers of works.

Having reached practical completion in June of 2020, ACMI is one of the world's most advanced museums of screen culture featuring the Australian national museum of film, television, videogames, digital culture, and art. It is the most visited moving image museum in the world, welcoming 1.5 million visitors each year.

The cutting-edge exhibition was part of a larger revitalisation of as part of the federation square cultural precinct in central Melbourne.
