Etihad Sales and Ticket Office

arete Australia successfully delivered a dual-location fitout for Etihad Airways, enhancing their Melbourne presence.

The project encompassed:

- A sales office in the Medibank building (720 Bourke Street)
- A ticket retail facility at Etihad Stadium

The arete team efficiently installed new staff offices, a server room, kitchenette, and a state-of-the-art boardroom with integrated AV. Despite the complexity of working across two sites, we completed the project on schedule and with minimal disruption to Etihad's operations and neighboring tenants.

This project showcases arete Australia's ability to execute multi-site commercial fitouts with precision and client consideration.
