illumina Melbourne Office

arete Australia were engaged to complete the \$1M design and build of illumina's new Melbourne office fit out. Located on the level 3 of 535 Elizabeth Street, this 600m2 space benefits from stunning views of the Queen's Victoria Market. To deliver this project we worked alongside our friends at FPPV Architects, WPS Services, McKenzie Group Consulting and Cushman & Wakefield.

The new office includes a customer greetings room, meeting rooms, 50+ workstations, a business centre, generous collaboration space and pantry with amenities, facilities that emphasise a collaborative workspace environment all alongside a panoramic outdoor area.
