

## Japara Windsor Minor Works, Punt Road

arete Australia successfully completed a comprehensive renovation of 126 aged care rooms at Japara Healthcare, encompassing bathrooms, kitchens, and communal living spaces.

Our team expertly navigated the challenge of refurbishing occupied facilities, prioritising resident comfort throughout the process. By implementing innovative noise reduction strategies and off-site fabrication, we minimised disruptions to daily life. The project, which spanned five floors, included meticulous painting and joinery work, carefully coordinated with resident relocations.

arete's commitment to resident satisfaction and well-being was instrumental in the project's success, demonstrating our expertise in sensitive healthcare renovations.
