

RACV Cape Schanck Wine Bar

arete Australia was engaged by RACV to expand and enhance the guest experience at the Cape Schanck Resort.

The project involved constructing a new administration office and transforming existing offices into a contemporary wine bar, adding another premium amenity for guests to enjoy. Located at 1 Trent Jones Drive, Cape Schanck, the works spanned the basement and Level 2 floors, as well as a scheduled two-week service interruption of the resort's day spa on Level 1.

Throughout construction, arete worked diligently to ensure minimal disruption to resort operations, adhering to the agreed timeframe for the spa works. The result is a seamless integration of the new wine bar into the resort's existing framework and a modern administrative area that supports the resort's ongoing growth.

Guests now benefit from an elevated RACV Cape Schanck Resort experience, highlighted by this refined addition to its hospitality offerings.
