RACV City Club, Melbourne

In 2008, arete Australia successfully executed a comprehensive renovation of the RACV City Club gymnasium.

This ambitious project encompassed:

- Addition of a new floor/roof with a striking glass facade
- Complete overhaul of internal spaces, including:
 - Pastry shop, travel desk, squash courts, and conservatory
 - Expanded gym and changing rooms
 - New day spa, gym offices, hair salon, and reception area

Our team expertly managed this complex urban renewal, maintaining full club operations throughout the process. By conducting work outside standard hours, we minimised disruption to members while delivering a transformative upgrade to this prestigious Melbourne institution.
