**QUEENSLAND:** Congratulations arete Queensland on receiving the "Refurbishment/Renovation over \$750,000" award for the Toowoomba Sports Club & Gaming Refurbishment project at the Downs & Western Master Builder Awards over the weekend.

The project involved a two-level refurbishment of the iconic community hub in Toowoomba. arete completed the refurbishment and reconfiguration of the gaming room and bar, café, amenities, outdoor and indoor seating areas, replacement and relocation of the existing escalators, installation of a new lift, and relocation of the main entrance.

The mixture of stunning finishes highlighted by well-designed lighting has breathed new life into the busy club and provided Toowoomba with a centrepiece to be proud of.

Thank you Karen Evans from [Toowoomba Sports Club](#) for your assistance and understanding during the project.
