

arete

University of Southern Queensland Executive Centre, Springfield Campus

arete completed the refurbishment works of the Executive Centre Offices on Level 6, Building A at the University of Southern Queensland Springfield Campus.

The project was completed over the Christmas Break and the refurbishment consisted of demolition of existing space, new walls, flooring, ceilings and glazing. In addition, electrical, fire, security and mechanical was fully upgraded.

The removal of the existing bulkhead and installation of a new grid ceiling along with a feature entry with timber ceiling and wall design created a more environmentally friendly and aesthetically pleasing look for the client.
