

8 Exhibition Street Foyer and Lobby Upgrade

arete Australia delivered the foyer and lobby upgrade at 8 Exhibition Street for the GPT Group under a Design and Construct contract, transforming the space into a refined and inviting entry point.

The works involved the demolition of existing finishes, followed by the installation of new flooring, stone and timber veneer wall claddings, and a trafficable canopy linking the existing lobby to the Exhibition Street entrance. Existing building services were modified to align with the new layout, ensuring that the upgraded lobby functioned seamlessly.

The result is a sophisticated reception area that highlights bespoke joinery and thoughtfully selected furnishings, reflecting both quality and elegance.
